FREE DIGITAL RESOURCE!

The day has arrived
and your name rings out in class.

This Is It. The Cold Call.

- What might your professor ask?
- Did you understand the case?
- Did you miss anything important?
- Are you prepared?

West Academic's Cold Call Companion provides you with resources to critically analyze and brief a case, distill the main points of law, prepare for the kinds of questions professors may ask in class, and so much more. Included in each Cold Call Companion are animated case brief videos that bring the facts to life, a written case brief, advice for prepping for class discussion, contextual materials to offer additional color and background, Test Yourself questions, and carefully curated sets of additional study materials to expand your knowledge of important concepts.

With Cold Call Companion, you will be able to confidently prepare for and engage in classroom discussion and easily navigate to the best and most relevant study aids right when you need them.

Cold Call Companion is THE essential prep for your law school classes.
