Early eBook Access Program

Get free, temporary eBook access to all West Academic and Foundation Press® casebooks adopted at your school.

Temporary access begins one week before classes begin and continues through the first two weeks of the semester, giving you the opportunity to find out if an eBook is right for you.

This also gives you a chance to access the course materials while you:

- Wait for your financial aid disbursement or your physical book to arrive
- Decide whether to keep or drop the class
- Shop for your permanent book

Watch for an email from West Academic about a week before classes begin or simply log in to your bookshelf at eproducts.westacademic.com when the program starts.

Explore our eBook functionality that includes a navigable table of contents, highlighting, note-taking, printing, bookmarking, the ability to change font size, and much more.
