## Authentic Content. Realistic Practice. Total Readiness.

BARBRI's NextGen Bar Review pairs licensed NCBE content with immersive Skills Scenarios + full exam-format fluency, so you walk into exam day ready.

### Authentic Preparation with Licensed NCBE Content

Practice on authentic NCBE material. BARBRI's NextGen Bar Review integrates licensed NCBE content directly into the course, so you sharpen your skills with real exam questions and learn the official platform before test day.

- Three NCBE-licensed question sets built into the course.
- Hands-on time with the official NCBE exam platform
- Confidence that comes from training on the format and rigor of the real exam

### Practical Lawyering Skills with Real-World Scenarios

BARBRI's immersive Skills Scenarios put you in the role of an associate at a fictitious law firm, working through unfolding legal problems the way you will in practice. Build the practical skills the NextGen UBE demands, including:

- Issue spotting + analysis
- Investigation + evaluation
- Client counseling + advising
- Client relationship + management
- Negotiation + dispute resolution
- Legal research
- Legal writing + drafting

### Exam Format Fluency + Expertise

Master NextGen question types before you walk in. Our integrated question sets mirror the exact format, pacing, and complexity of the NextGen UBE.

- Practice all three NextGen question types in realistic client scenarios
- Develop the problem-solving + critical-thinking judgment the exam demands
- Sharpen pacing and stamina across integrated, multi-part item sets
